NAXOS THE ENGLISH SONG SERIES • 15 FINZI 8.557963

Gerald Finzi made an unrivalled contribution to British twentieth-century song-writing, especially in his settings of Thomas Hardy, his favourite poet. This second volume of Finzi songs includes two Hardy collections, the early *By Footpath and Stile*, for baritone and string quartet, and the mature setting *Earth and Air and Rain*, both of which share the poet's preoccupation with death and the transience of life. Composed during the early 1930s, *Earth and Air and Rain* includes two of Finzi's best-known songs, *Rollicum-Rorum* and *To Lizbie Browne*, a touching poem of regret for what might have been. Volume 1 is available on Naxos 8.557644.
