LULLABIES
IN A CAR CRASH
BJØRN RIIS

STAY CALM

Did your father give you hell
Did your mother try to break you down
Did they mess up your head
And tighten the strings attached to your bones

★ When you were growing up
You struggled between the boredom and pain
But you're still waiting for something to happen
Something to keep you from going insane

I don't wanna be here
It's all a mistake and I need to know how to get out
I try to stay calm
But the fear inside is taking control again

Don't you wanna believe ★
That you can see the sky from here
You can have it all
As long as you're playing the game

★ Get a new life
Get a better job and a faster car
Get a TV that'll cover your wall
It'll numb your pain and erase your mind

DISAPPEAR

WAY OUT IN THE FIELD YOU HEAR HER VOICE
WITH THE SUN IN HER HAIR SHE CALLS YOUR NAME
NEVER LEAVE YOU OUT OF SIGHT
SHE KEEPS HER BABY TO HER SELF

AND IN THE SAFETY OF HER ARMS
YOU GAZE INTO YOUR FUTURE

IN A BOX UNDER YOUR BED YOU KEEP YOUR MEMORIES
AND ALL THE GREAT IDEAS YOU STOLE FROM SOMEONE ELSE
NEVER KNOWING HOW TO FEEL, WHAT TO SAY OR DO
YOU PRETEND AND MAKE BELIEVE

HERE IT COMES AGAIN, YOU'RE BEING PARALYSED
AND IT FEELS JUST LIKE YOUR HEAD'S ABOUT TO BURST
DON'T WANNA BREATHE OR STAY AWAKE NO MORE
SO YOU'RE CLOSING DOWN AND DISAPPEAR

OUT OF REACH

IS THIS WHERE I GET OFF
ON THIS COLD PAVEMENT
CONFUSED AND ESTRANGED
WITH MY HEART IN MY HAND

I CAN'T FEEL YOU
FROM THIS DISTANCE
CAUSE YOU'RE OUT OF REACH
I'M STILL WAITING
FOR YOUR CALL
BUT YOU'RE OUT OF REACH

TELL ME IT'S OK
TELL ME THERE WON'T BE MORE CHANGE
I'M FEELING KIND OF SEA SICK
OVERWHELMED WITH PAIN

LULLABY IN A CAR CRASH

Breathe slowly now
And don't be afraid
Lay down and rest your head
It's over now
So don't look back

It's time to let go
It's time to face the truth
But I'll miss laying here with you
When your heart is slowing down

When you try hit the breaks
and you know it's too late
We see our time it is rushing by with no trace
But I need you now
So please stay with me

In a field somewhere
She calls your name again
And you are on your way back home
It's closer now

And in the haze of the sirens
and twisted steel
We lose our grip and we
fall on down to the ground
But I don't wanna lose you now
So please stay with me

PERFORMED BY

BJØRN RIIS

Vocals, guitars, bass,
keyboards, percussion and programming

HENRIK FOSSUM

Drums

VEGARD KLEFTÅS SLEIPNES

Keyboards on A New Day
Percussion on Stay Calm and Disappear

ASLE TOSTRUP

Loops & effects
on Stay Calm and Disappear
